Having planted now three Churches in various states, I have found that Aimee and team have been more accessible and informed and effective in a timely manner than any County I have ever worked with. We, as a Church appreciate the many kindnesses, the work effort and ethic and above all, the efficient manner that all the planning and permitting has been executed on the part of Sumter County. Aimee, thank you so much for the many kindnesses you have extended to us and for always being so well prepared and informed. You are a blessing to us. I am so pleased that you nw go to places you did not to before, as we had to change our Dentist and physicians but because you no longer went there! We have really appreciated the drivers - as Herb is in a wheelchair and they take good care of Him. Especially Nancy and Scott - But they all are caring people. I feel you could have a larger rider participation if you could address some of the muting here in The Villages - as so many have no idea you exist. I would do it for you, but can't leave my husband. You could address, Parkinsons, Neuropathy, Alzheimers, Handicapped groups.

The "routes" links aren't coded for my browser correctly (I use Opera and Mozilla) ergo they don't load, so I'm not sure where or when your buses run. I'm not sure who the blonde lady was but she visits quite often and seems very rude to her staff and patrons. I don't know who the supervisor is, but they need to talk to her. It's very noticeable and I'm not the only patron who feels this way.

I find it very irritating that I have to move from what is dubbed a teen space with a laptop computer if a teen wants to use it. I am the taxpayer and think that having to give up one of the only adequate spaces to do homework for a teen to listen to music or logon tofacebook is ridiculous. I also wonder why an adult (the taxpayer) has a time limit on the only computers they are allowed to use and not the teens? While I applaud the fact that you are trying to attract more teens to use the library system I feel as if you are taking away services from the adults, again the ones that pay the taxes around here.

Most of the time I had to wait because the students were using them. I thought this was unfair since they had them at home. All they did was play.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	I'm sure the residents wouldn't mind helping to fund more and current LP books, especially from well-known authors. My 83 year old mother gets 10 LP books every two weeks and after 2 1/2 yrs is re-reading books. I miss LP Sue Grafton books. My hometown Library got every one that came out. I think you have 1 or 2. I only got 3/4 the way through the alphabet. I have never seen any notices about computer classes or any adult programs at the Library. All ages don't live in The Villages. This is a 55+ community and thus should have more large print books. My hometown of 25,000 had 5 double-sided rows of LP books. Barb Wintrow 352-753-6523

Can the "power search" function be changed so that audio books have a search criteria? Under "format" there are all types of materials, including music, but there is no way to bring up ONLY audio books in a search. It would save a lot of time to be able to bring up only audio books when searching... Thank you, Steve Rocky
